Retaining Walls

Integrity
Honesty

Safety
Quality

Company Info

We install both large block and segmental block retaining walls. We are unique in we have our own truck and trailers for block delivery. Additionally, our team has understanding of all major facets of site construction and understand the importance of communication and coordination.

How We Work

Slow is Smooth, and Smooth is Fast. Excel, LLC will always adjust in the field to the clients needs, through experience and innovation.

"Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ." ~ Colossians 3:23–24
